Subject: RE: Question on proposed schedule for issuing Grumman-Bethpage order

Thank you Dan. As a heads-up, my understanding is that there will be an EPA/NYSDEC meeting next week to discuss the proposed Grant Workplan. The schedule for the Grumman-Bethpage Order might be discussed at that meeting, since it looks like an achievable bean on paper.

Regards,
-Carol-

Subject: RE: Question on proposed schedule for issuing Grumman-Bethpage order

Hi Carol,

That is the date that is being carried at the moment. It is possible for it to occur, but I have low confidence. There has not been much activity to that end recently.

Thanks,
Dan

Subject: Question on proposed schedule for issuing Grumman-Bethpage order

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Good morning Henry and Dan. Although I am no longer the project manager for Grumman/Bethpage, I have been asked to review the commitments for this project in the proposed NYSDEC Grant Workplan. The Workplan notes that a Corrective Action Order is proposed to replace the Permit, and that the Order is anticipated for issuance in September 2018. (This is the first item on the attached list.) I figured I would touch base with you to confirm whether you are on-board with this schedule.

Thanks,
Carol
